ABOUT THE QUEEN

Hi, I'm Queen ELIZABETH II ! I was born on April 21st, 1926. I lived in London, in Buckingham Palace. My father was King George VI. I became Queen on June 2nd, 1953 and I got married in 1947. Philip and I had four children. I reigned for 70 years. I had many opportunities to travel and meet celebrities. I loved dogs, driving and horse races. In 2016, I broke the record of the longest reign. I died on September 8th 2022, at the age of 96.

ABOUT...

THE UNFOLDING OF THE QUEEN'S DEATH!

The new (ex) Prime Minister was paying a visit to the Queen and taking pictures with her at Balmoral Castle, in Scotland. During the night, her Majesty's doctors put her on close medical surveillance as she started to fade. Charles, Camilla and Princess Anne came to her bedside as they were already in Scotland. William behind the steering wheel drove, Edward and Andrew who altogether came racing to Balmoral but she was already dead. Harry came to Scotland but couldn't say his final Goodbye. The Duchess of Cambridge stood in London to tell the Queen's great grand children about her death.
